

## *CCHC Academic Team*

### *For Middle and High School levels*

At CCHC we believe students will succeed when they are part of a strong team that holds them accountable. Parents, teachers and the students all have a vital role to fulfill. High school and middle school classes are offered as an extension to home learning. Teachers and parents complement one another in order to provide a rigorous, meaningful learning experience for the student. You can expect the student to:

- Gain assignment and classroom hours that can be applied to earning HS credit.
- Gain valuable classroom experience and instruction under various teaching styles
- Learn to be accountable to others and work within manageable deadlines

To formalize our intent to work as a team, students and parents will sign the Academic Team Pledge. If students or parents do not fulfill the pledge, the student will be asked to withdraw from class, without a refund, or the student will be asked to utilize study hall to make up incomplete work or correct behaviors.

#### Student Pledge

C: I will **challenge** myself by studying harder than I ever have, being in attendance for class, fully participating and engaging in all learning opportunities and adhering to deadlines.

C: I will seek out **competency** by completing all my homework and studying for tests. I will take responsibility for my education and the expectations set for me.

H: I will **honor** Christ in all I do, including my attitude and work ethic. I will be an encourager to my peers and teachers. I will honor the CCHC Handbook and my parents by following rules and setting a positive example for younger students.

C: I will display good **citizenship** by looking for ways to help my classmates, the co-op, and my teachers. I will respect the learning environment. I will recognize that I am a part of a team and I will fulfill my role to the best of my ability.

#### Parent Pledge

I will:

- be a fully committed member of my child's academic team.
- communicate with teachers but allow my child to take responsibility for his/her education.
- see that my child is in attendance at each class meeting, whether at co-op or an alternate location. I accept responsibility for teaching and getting my student caught up in the event of an absence.
- oversee all assignments, monitor grades, re-teach when necessary, and make every effort to help my child succeed.
- encourage strong work ethic and independence in my child to earn the full class credit.
